Go To WWW.NEWPORTPENGUINS.ORG
and click on Start Registration

The Penguins Swim Lessons Program teaches basic swim safety skills and beginning stroke development. The goal of swim lessons is to develop proficient and safe swimmers and potentially prepare participants for success as members of either the junior team or our competition team as their swimming skills improve. To reserve a spot in any session, individuals must register and spots are filled on a first-come basis.

Ages potty-trained and up.

Financial assistance available
